

GOALS FOR CHILDREN AT LITTLE ONE'S

DEVELOPMENT OF SOCIALIZATION SKILLS

CHILDREN AGES 0-5 TEND TO BE SELF-CENTERED BY NATURE. LEARNING TO FUNCTION IN A GROUP SETTING, DEVELOPING QUALITIES OF SHARING AND HELPING OTHERS TAKES OPPORTUNITY AND GUIDANCE; WITH THIS GUIDANCE CHILDREN WILL NOT ONLY LEARN HOW TO RELATE TO OTHER CHILDREN THEY WILL ALSO LEARN HOW TO RELATE TO ADULTS OTHER THAN PARENTS.

DEVELOPMENT OF SKILLS AND CONCEPTS

THERE IS A WHOLE EDUCATIONAL CONCEPT THAT A CHILD WILL LEARN SKILLS AND CONCEPTS WHEN HE IS READY. WE AT LITTLE ONE'S BELIEVE IN A BALANCED EDUCATIONAL CONCEPT WHERE WE PROVIDE A PRINT RICH ENVIRONMENT AND ENCOURAGE THE DEVELOPMENT OF VARIOUS SKILLS AND CONCEPTS . WITH THIS PROGRAM A CHILD WILL RECEIVE THE EDUCATIONAL REINFORCEMENT THEY NEED TO GUIDE THEM THROUGH THEIR SKILLS AT THEIR OWN PACE.

DEVELOPMENT OF A POSITIVE SELF - IMAGE

"CHILDREN WITH POSITIVE SELF CONCEPTS **TEND TO LEARN WELL...**IF WE PUT PRIMARY EMPHASIS ON THE SKILLS THAT CHILDREN DO POSSESS (NOT JUST ACADEMIC SKILLS), WE MIGHT SUCCEED IN **BUILDING THE SELF-ESTEEM THAT WOULD MAKE ACADEMIC SUCCESS POSSIBLE.**"DR. JEROME KAGAN, HARVARD UNIVERSITY.

WE, AT LITTLE ONE'S, BELIEVE THAT THE ABILITY TO LEARN READING AND MATH READINESS IS BASED NOT ONLY ON ACADEMICS, BUT A TRUE POSITIVE SELF-IMAGE, SELF-ESTEEM, AND SELF-WORTH.

LITTLE ONES MISSION

Little One's Playhouse was started in 1996 and has evolved into a learning place where young children could feel safe, secure, happy, and at home. After extensive time, planning, schooling and determination Little One's Playhouse has become a true nurturing environment for your child.

Little One's Playhouse is a group family daycare center. Our program promotes a preschool curriculum called Early Start. Early Start is a complete curriculum that enriches and enhances your child. Early Start insures skill development, continuity and progression. Early Start's curriculum is a unit of study which is developmentally appropriate for ages 2-5.

Our unique daycare is a bright, spacious and print rich environment center that offers many developmental opportunities. We have 2 classrooms, which are broken up into an infant room (6 weeks - 2 years) and a toddler room (3 years - five years).
